

Install Mazda 3 LED Turn Signal Lights

This is a guide on how to install Mazda 3 rear LED turn signal lamps.

Written By: Eric Wu

INTRODUCTION

It's very simple to swap out the stock turn signal lights on your Mazda 3 to LED turn signal lamps. Installation is straightforward with no modification required.

PARTS:

- [Mazda 3 Amber LED turn signal bulbs](#) (1)
 - [7440 CREE LED Turn Signal Bulbs for Mazda 3](#) (1)
-

You can see that installation was simply as easy as swapping out the old bulb into LED. Enjoy your new Mazda 3 LED turn signal light bulbs.
